I. Letter to Delegates

Welcome,

It is thrilling to be able to have you present in our SPISMUN 2024. It's an honor to welcome you to the Crisis Committee, where I, Maria Regina Martínez Arizpe, will be your moderator, and Jaime Gonzalez will be your director.

We expect nothing but the best from all of you. We trust that you will work thoroughly to find solutions to the crises that will be presented.

Delegates be sure to bring your best attitude, to be able to contribute by giving your best solutions to the committee, and try to solve this crisis faster.

During your time at SPISMUN, we hope you will gain valuable experience and create lasting memories.

We are really happy to have you, and we are looking forward to seeing you there. We hope that you enjoy this experience as much as we did organizing the event.

Disclaimer: This is a highly paced and active committee. We don't recommend beginners to enter this committee. The topics and crises presented may also disturb some delegates, so we don't recommend you enter this committee if you get easily disturbed.

Trigger Warning: Murder, Deaths, Serial Killers, Blood. If you are triggered by these topics, we don't recommend you undertake this murder mystery.

II. Preparation

Delegates, all the information you need for the committee will be given to you on the day of the event.

So we recommend that you come with an open mind ready to solve any crisis that will be presented to you.

III. Final Thoughts

Well delegates, we hope to see you there ready to have the best experience solving all the mysteries presented.

Good luck delegates in this adventure your about to take on. Welcome to SPISMUN Cumbres 2024! See you in April!
