

Squid Games Background paper

Moderator: Fernando Flores
Director: Samantha Contreras.
Committee: Squid Games
Topic: Crisis

Disclaimer: Even though a character sheet will be provided, delegates are warned that if they go against their character / VIP's point of view they will receive a warning. VIPs will be able to deal, bet, and win fictional money for economical purposes of the committee. Nothing will be revealed to delegates other than their assigned character and personality until the day of the simulation. As well, there will be new games instead of the regular ones in the series.

Letter to delegates:

Hello delegate,

Welcome to SPISMUN 2025 my name is Fernando Flores and I will be your moderator for this event, and your director will be Samantha Contreras.

SPISMUN 2026 is a project that secretariat, chairs and staff have worked on for a lot of time and are proud to introduce this event with many and diverse committees that encourage you to challenge yourself to talk and express your ideas towards a group of delegates which have different opinions and ideas as well.

We are excited to present to you the Squid Games committee. Representing a specific VIP member you will be put into an administrative role within the games securing many aspects of their whole operations. In which you will be presented various challenges and opportunities in every session by solving spontaneous problems as crises. By this you will be improving your problem solving, teamwork, and critical thinking skills. Now, you will be presented with certain information that can be critical to understand the functioning of the committee and for you to be prepared for the day of the event.

Committee Overview:

The Squid Games are a series of games in South Korea that consist of 456 players. The players play games based on child games in Korea, but making them fatal. With each elimination, money is added to the prize and the last player alive receives all the money. However, there is a different side to the player side of the Squid Games: the VIPs.

The VIPs consist of the administrative side of the Squid Games

Focus of the committee:

For the means of this committee the representatives will be the VIP which are patrons of the games. VIP's will be in charge of the logistical operations of the Squid Games, while overseeing the current games.

Procedure:

Consequential Crisis: The procedure of **Squid Games**, this procedure divides into various steps, and are mostly discussion of the set crisis.

1. **Roll Call**
2. **Open the Session**
3. **Present Crisis and Paths**
4. **Moderate Debate:** During moderate debates, players should start discussing what path to take, and what actions to do related to that path. This could change throughout the sessions, as a crisis may come in to present the problem that has surged due to the path taken.

5. **Choose Path:** Players should choose the path based on their interests. The path will be chosen by simple majority vote(Motion to choose path A or B).
6. **Unmoderate Debate:** Players should come up with a resolution paper or action plan on what to do in the games and what are the actions they are going to take based on which path the committee chose.
7. **Vote for Sponsors:** Players should vote for 2 sponsors who will present the resolution or action plan to the committee, and then to the secretariat
8. **Set Resolution Agenda**
9. **Present Resolution Paper**
10. **Vote for Resolution**
11. **Present Resolution to Secretariat:** The sponsors will present the resolution paper to the secretariat. Additionally, the secretariat will take the resolution paper or action plan that the committee has decided on, and then, if there's time, a crisis could come and present the actions of their decisions.
12. **Close the Session**

Character Sheets:

All VIPs are people of fame, wealth or power. They have the resources needed in case of an emergency within the games. All VIP's(delegates) will have a character sheet(character sheets are sent separately).
